Re: Case No. 2003-00266, Investigation into the Membership of  
Louisville Gas and Electric Company and Kentucky Utilities  
Company in the Midwest Independent Transmission System  
Operator, Inc.

Dear Ms. O'Donnell:

Enclosed please find six (6) copies of a CD-ROM containing 24 Excel files, all workpapers relating to the Rebuttal Testimony of Dr. Ronald R. McNamara filed November 19, 2004, on behalf of Intervenor Midwest Independent Transmission System Operator, Inc. At the request of LG&E/KU counsel, the Midwest ISO provided them with these files as attachments to two separate e-mails sent last Tuesday, December 7, 2004. The Midwest ISO pointed out certain information that LG&E/KU might regard as confidential and asked LG&E/KU to confirm that all other information could be treated as non-confidential. LG&E/KU responded yesterday that none of the information in the 24 Excel files is confidential or merits protection from disclosure on the public record.

The enclosed information thus is to be filed in the public record of the above-referenced proceeding on behalf of the Midwest ISO. By copy of this letter, I am sending one copy of the CD-ROM to each of the listed counsel. Please note that these files are also responsive to LG&E/KU data requests (#53 and #54) dated December 7, 2004.

Sincerely,

  
Katherine K. Yunker
